250 DALLAS ST
PENSACOLA FLORIDA 32508-5220

5230
CIO/0065
07 May 01

From: Chief of Naval Education and Training
To: Distribution List

Subj: TYPE ACCREDITATION OF THE STANDARD TRAINING ACTIVITY SUPPORT
SYSTEM (STASS)

Ref: (a) DOD Instruction 5200.40 - DOD Information Technology
Security Certification and Accreditation Process (DITSCAP)
(b) System Security Authorization Agreement (SSAA) for the
STASS/NITRAS II Systems of April 2001

1. In accordance with reference (a), STASS is hereby approved to operate in the System High Mode of Operation using the security requirements identified in reference (b). This accreditation is valid for any STASS system that is implemented in the approved configuration and operating environment (reference a germane) for 3 years or until approved changes to reference (b) are verified. Any deviation from reference (b) must be approved by the CNET Chief Information Officer.

2. To request a copy of reference (b), please contact the STASS Program Manager, Dave Peper at 840-452-9243, DSN 922-9243.
